Memo No.: Persd/Saasan/2025/8

Date: 07/01/2025

Subject:- Regarding the issue of Building Safety Certificate for the year 2024-2025.

Regarding the above subject, the school building was inspected as per the map submitted by you. The structural design of this building is not available. The building appears to be safe on the basis of the available documents and in appearance. Therefore, the safety certificate for your school building for the year 2024-2025 is issued on the basis of these conditions:-

1. You will not make any addition or modification to the submitted plan of this building during this time.
2. If any addition or modification is made by you in this building, it should be done under the supervision of a certified and qualified engineer. After the completion of the work, its certificate should be obtained again from the concerned officer and this office should be informed.
3. If the building is affected by floods or any natural causes/disasters or any kind of damage is caused to this building, then it will be the sole responsibility of the applicant to inform this office immediately and to re-inspect the building immediately.
4. The owner of the building/or applicant will be fully responsible for the safety of the building from all sides despite this report.
5. The fire safety certificate of this building is valid till 23/12/2025. After this, the fire safety certificate should be made fresh. Failure to do so will be your sole responsibility.
6. Ensure to obtain a separate certificate regarding electrical works from the competent authority.
7. This certificate will not be valid for any legal cases.
8. This certificate will be valid only till 31/03/2025. This certificate is related to the building only. It will be your personal responsibility to obtain any other safety certificate from the concerned department as per the requirement.
9. If any condition related to safety is violated by the school, then the certificate issued by this department will be considered cancelled.
